

APPLICATION AND NOTICE FOR MEMBERSHIP IN
KAISER PERMANENTE NURSE ANESTHETISTS ASSOCIATION

I voluntarily submit this Application for Membership in KPNAA so that I may fully participate in the activities of the Association. I understand that by becoming and remaining a member of the Association I will be entitled to attend membership meetings, participate in the development of contract proposals for collective bargaining, vote to ratify or reject collective bargaining agreements, run for Association offices or support candidates of my choice, receive Association publications and take advantage of programs available only to Association members. I understand that only as a member of the Association will I be able to determine the course the Association takes to represent me in negotiations to improve my wages, fringe benefits and working conditions. And, I understand that the Association's strength and ability to represent my interests depends upon my exercising my right, as guaranteed by federal law, to join the Association and engage in the collective activities with my fellow workers.

I understand that under the current law, I may elect non-member status and can satisfy any contractual obligation necessary to retain my employment by paying an amount equal to the union for dues and initiation fee required of members of the Association. I also understand that If I elect not to become a member or remain a member, I may object to paying the pro-rata portion of regular Association dues or fees that are not germane to collective bargaining, contract administration and grievance adjustment, and I can request the Association to provide me with information concerning its most recent allocation of expenditures devoted to activities that are both germane and non-germane to its performance as the collective bargaining representative sufficient to enable me to decide whether or not to become an objector. I understand that non members who choose to object to paying the pro-rata portion of regular Association dues or fees that are not germane to the collective bargaining will be entitled to a reduction in fees based on the aforementioned allocation of expenditures, and will have the right to challenge the correctness of the allocation. The procedures for filing such challenges will be provided by the Association upon request.

I have read and understand the options available to me and submit this application to be admitted as a member of KPNAA.
